HEC RECOGNIZED “Y” CATEGORY JOURNAL
AIMS & SCOPE

Journal of Business Studies examines a wide variety of business decisions, processes and activities within the actual business setting. Theoretical and empirical advances in buyer behavior, finance, organizational theory and behavior, marketing, risk and insurance and international business and other contemporary issues are evaluated on a regular basis. Published for executives, researchers and scholars alike, the Journal aids the application of empirical research to practical situations and theoretical findings to the reality of the business world.

The scope of the journal includes the all the contemporary issues of management sciences. Unpublished papers and extended versions of papers presented at conferences may be submitted for possible publications in JBS. Responsibility for the content of a paper rests upon the authors and not upon the editors or the publishers.
ABOUT THE JOURNAL

Journal of Business Studies is a biannual journal in the field of Management Science that offers platform for researchers, scholars & scientist to publish their original and to date research of high scientific value. It is a double blind peer review open access academic journal, published biannually by Institute of Business & Technology (IBT). Articles published in the journal illustrate innovations, development and achievements in the field of Management science. The journal is being published electronically as well as in print form. It has received HEC recognition in Category “Y”.

DISCLAIMER

Facts and opinions in articles published on Journal of Business Studies are solely the personal statements of respective authors. Authors are responsible for all contents in their article(s) including accuracy of the facts, statements, citing resources, and so on. Editors disclaim any liability of violations of other parties’ rights, or any damage incurred as a consequence to use or apply any of the contents of Journal of current research in science. Material submitted to JBS must be original and not published or submitted for publication elsewhere. Authors submitting a contribution to JBS who have related material under consideration or in press elsewhere should upload a clearly marked copy at the time of submission and draw the editor's attention to it in their cover letter. If a part of a contribution that an author wishes to submit to JBS has appeared or will appear elsewhere, the author must specify the details in the cover letter. Consideration by the JBS is possible if the main result, conclusion, or implications are not apparent from the other work, or if there are other factors, for example if the other work is published in a language other than English. Author is responsible to get permission from previous publisher or copyright holder if an author is re-using any part of paper (i.e. figure or figures) published elsewhere, or that is copyrighted. The editors consider all material in good faith that their journals have full permission to publish every part of the submitted material including illustrations.
