**AIMS & SCOPE**

Journal of Business Studies examines a wide variety of business decisions, processes and activities within the actual business setting. Theoretical and empirical advances in buyer behavior, finance, organizational theory and behavior, marketing, risk and insurance and international business and other contemporary issues are evaluated on a regular basis. Published for executives, researchers and scholars alike, the Journal aids the application of empirical research to practical situations and theoretical findings to the reality of the business world. The scope of the journal includes all the contemporary issues of management sciences. Unpublished papers and extended versions of papers presented at conferences may be submitted for possible publications in JBS. Responsibility for the content of a paper rests upon the authors and not upon the editors or the publishers.
