JOURNAL OF INFORMATION & COMMUNICATION TECHNOLOGY

AIMS & SCOPE

Journal of Information & Communication Technology examines a wide variety of contemporary issues in information technology and computer sciences. Published for executives, researchers and scholars alike, the Journal aids the application of empirical research to practical situations and theoretical findings to the reality of the technological world.

The scope of the journal includes the all the contemporary issues of computer sciences and its sub fields. Unpublished papers and extended versions of papers presented at conferences may be submitted for possible publications in JICT. Responsibility for the content of a paper rests upon the authors and not upon the editors or the publishers.

JOURNAL OF INFORMATION & COMMUNICATION TECHNOLOGY

ABOUT THE JOURNAL

Journal of Information & Communication Technology is a biannual journal in the field of Management Science that offers platform for researchers, scholars & scientist to publish their original and to date research of high scientific value. It is a double blind peer review open access academic journal, published bi-annually by Institute of Business & Technology (IBT). Articles published in the journal illustrate innovations, development and achievements in the field of Computer Science and Information Technology. The journal is being published electronically as well as in print form.

JOURNAL OF INFORMATION & COMMUNICATION TECHNOLOGY

DISCLAIMER

Facts and opinions in articles published on Journal of Information & Communication Technology are solely the personal statements of respective authors. Authors are responsible for all contents in their article(s) including accuracy of the facts, statements, citing resources, and so on. Editors disclaim any liability of violations of other parties' rights, or any damage incurred as a consequence to use or apply any of the contents of Journal of current research in science. Material submitted to JICT must be original and not published or submitted for publication elsewhere. Authors submitting a contribution to JICT who have related material under consideration or in press elsewhere should upload a clearly marked copy at the time of submission and draw the editor's attention to it in their cover letter. If a part of a contribution that an author wishes to submit to JICT has appeared or will appear elsewhere, the author must specify the details in the cover letter. Consideration by the JICT is possible if the main result, conclusion, or implications are not apparent from the other work, or if there are other factors, for example if the other work is published in a language other than English. Author is responsible to get permission from previous publisher or copyright holder if an author is re-using any part of paper (i.e. figure or figures) published elsewhere, or that is copyrighted. The editors consider all material in good faith that their journals have full permission to publish every part of the submitted material including illustrations.

INSTRUCTIONS TO AUTHORS

Author(s) are requested to please carefully read all the instructions before submitting a manuscript to the *Journal of Information & Communication Technology* (JICT). Manuscripts not prepared as per below mentioned specifications may be returned to the author(s) and may experience significant delays in review and time to publication.

MANUSCRIPT SUBMISSION

Three hard copies of manuscripts of articles, comments, notes or book-reviews, should be submitted to

The Editor
Journal of Information & Communication Technology
Institute of Business and Technology (IBT)
Main Ibrahim Hydri Road, Korangi Creek
Karachi-75190 Pakistan

Submissions

All manuscripts for the Journal of Information & communication Technology should be submitted electronically through email to the editor at jict@ibt.edu.pk. Manuscripts should be prepared in US English using a word processing (preferably in MS Word) program and saved as a .doc or .rtf file. The attached file should be named according to the title of your article and it should mention '**Research paper submission**' in the subject of the email.

After receiving the research article, acknowledgement will sent within a few days after the receipt of the paper.

GUIDELINES FOR AUTHORS

MANUSCRIPT SPECIFICATIONS

Abstract: All manuscripts should contain a well-summarized abstract of 100 to 200 words. This should be in a separate file of the soft copy and a separate page on hard copy.

Title Page: This includes the title of the article, complete name(s) of author(s), active email(s) and institutional affiliation(s) respectively and acknowledgements and/or any other special note (if given).

General Format and Style: The manuscripts should be formed in double space, with 1.25-inch margins on all sides on A4 size page. The text as well as footnotes should be written in Times New Roman font of size 12 point. Multiple columns shouldn't be used. In case of using special characters or symbols, not available in Microsoft Word, or Adobe Acrobat, the true type font(s) files should be attached.

Tables and Figures: Figures, tables and boxes should be numbered consecutively in Arabic numeral, (e.g.; Figure 1, Figure 2, and Table 1, Table 2, etc.). Colorful customized figures and graphs shouldn't be drawn and figures and tables shouldn't be inserted in the main text. Instead, in the space immediately after the paragraph in which the figure or table is first referenced, insert a text tag may be inserted: [Figure 1 here]. Soft copy of figures/graphs and tables should be accompanied with the soft copy of the manuscript in Microsoft Excel or any other compatible format, in files separate from the text file(s).

Data and Programming Routines: Data used in the article should be separately provided along with the soft copy in any standard spreadsheet format. If the manuscript is supported by any econometric computations or mathematical estimation then the software should be named with version and relevant estimation file and/or program routines should be sent.

Footnotes: All footnotes should be numbered in Arabic numeral, corresponding to numbers in the text, and placed at the bottom of the page rather than at end of the manuscript.

Reference List and Citations: Authors are requested to follow the Chicago Style of Manual for reference and citation and list of references be placed alphabetically by author's last name and then by year. Please refer name of all authors for collecting work and avoid using et al. in lieu of authors' name. Please do not use abbreviation for name of journals or conference or books. Please clearly mention the website of the cited article or give details regarding an unpublished work not included in proceedings, journals or books.
